About Group Sounds

Group Sounds was founded to expand the experience of wellness beyond the clinical and into the creative. Inspired by culture, curiosity, and craftsmanship, Group Sounds blends full-spectrum CBD, hemp-derived THC, and sensory-driven wellness products designed for those who seek more from every day.

*Group Sounds invites exploration
bridging wellness with the broader spirit of cultural living.*

About Our Products

- *Curated Cultural Wellness: Positioned for consumers seeking experience-driven living, not just symptom management.*
- *Premium Craftsmanship: Full COA-backed, lab-tested, small-batch production.*
- *Made Fresh-to-Order: Products crafted close to order date — a rarity in the CBD/THC space.*
- *Retail Experience Support: Custom POS materials, marketing assets, and storytelling tools provided.*
- *Accessible Boutique Pricing: Ideal price points for elevated yet attainable retail positioning.*

Full Spectrum CBD Gummy Chews

Elevate your wellness routine with Group Sounds Full Spectrum CBD Gummy Chews, a delicious and effective way to enjoy the benefits of full-spectrum CBD. Each chew is crafted with 20mg of full-spectrum CBD to promote relaxation, balance, and overall well-being—all in a 40-count pouch designed for freshness and convenience. Experience a sophisticated twist on flavor with three unique, artisanal options:

Cherry Sakura: A subtly sweet and floral blend inspired by Japanese cherry blossoms.

Lime Shiso: A bold, herbaceous fusion of tart lime and aromatic shiso leaves.

Yuzu Ginger: A zesty citrus kick with a warm ginger finish for a refreshing bite.

Key Benefits:

20mg full-spectrum CBD per chew for enhanced wellness

Three unique flavors for a delightful CBD experience

40-count resealable pouch to maintain freshness

Made with premium ingredients for quality you can trust

Whether you're unwinding after a long day or looking for a daily boost of calm, Group Sounds Full Spectrum CBD Gummy Chews deliver a flavorful and effective way to find your balance.

Ingredients: Corn Syrup, Sugar, Filtered Water, Gelatin, Fruit and Vegetable Juice, Modified Corn Starch, Full Spectrum Hemp Extract (CBD), Citric Acid

Full Spectrum CBD Relief Capsules with Turmeric / Curcumin

Discover the perfect balance of wellness and relief with Group Sounds Full Spectrum CBD Capsules. Crafted with premium-quality, full-spectrum CBD and enriched with turmeric and curcumin, these capsules are designed to support your overall health and well-being naturally.

Key Benefits:

Full-Spectrum CBD: Harness the power of the entourage effect with cannabinoids, terpenes, and flavonoids working together to maximize benefits.

Turmeric & Curcumin: Known for their powerful anti-inflammatory and antioxidant properties, these ingredients complement CBD to promote joint health, reduce discomfort, and enhance recovery.

Why Choose Group Sounds?

Our capsules are made with the highest standards, using third-party-tested, organic hemp extract to ensure purity, potency, and safety. Whether you're managing stress, soothing discomfort, or enhancing recovery, these capsules are your go-to solution for achieving balance and vitality.

Take the next step in your wellness journey with Group Sounds Full Spectrum CBD Capsules—a natural choice for feeling your best every day.

Ingredients: MCT Oil Powder, Turmeric Root Extract, Full Spectrum Hemp Extract (CBD), Black Pepper Oil, Beta Caryophyllene, Vegetable Cellulose

Precision Dosage: Available in 750mg, 1500mg, and 3000mg strengths, allowing you to customize your wellness journey to suit your needs.

Easy to Use: Convenient, mess-free capsules for effortless integration into your daily routine.

Full Spectrum CBD CBN Sleep Capsules

Drift into deep, restorative sleep with Group Sounds CBD + CBN Sleep Capsules, expertly formulated to promote relaxation and support a restful night. Each capsule combines the calming benefits of CBD with 10mg of CBN, the cannabinoid known for its natural sleep-enhancing properties.

Available in three CBD strengths to fit your needs:

750mg CBD (25mg per capsule) – Ideal for mild relaxation and sleep support.

1500mg CBD (50mg per capsule) – A balanced option for deeper rest and recovery.

3000mg CBD (100mg per capsule) – Maximum-strength for those needing extra nighttime support.

Key Benefits:

10mg CBN per capsule for enhanced sleep benefits

30-count bottle for a full month of restful nights

Three CBD strength options to match your sleep needs

Formulated for relaxation, recovery, and sleep support

Designed for those looking to unwind and wake up refreshed, Group Sounds CBD + CBN Sleep Capsules are your natural solution for better sleep—night after night.

Ingredients: MCT Oil Powder, Full Spectrum Hemp Extract (CBD), CBN, Natural Terpenes, Vegetable Cellulose

Delta 9 Gummy Chews

Elevate your experience with Group Sounds Delta 9 Gummy Chews, a delicious and precisely dosed way to enjoy the effects of Delta 9 THC. Each chew contains 10mg of premium Delta 9 THC, crafted to promote relaxation, euphoria, and an overall sense of well-being—all in a 40-count resealable pouch designed for freshness and convenience.

Savor a sophisticated flavor profile with our Cherry Sakura variety—a delicate fusion of juicy cherry and floral Sakura (cherry blossom), creating a refreshing and elevated taste experience.

Savor a sophisticated flavor profile with our Yuzu Ginger variety—a vibrant fusion of citrusy yuzu and warming ginger, creating a refreshing and invigorating taste experience.

Savor a sophisticated flavor profile with our Lime Shiso variety—an herbaceous fusion of zesty lime and aromatic shiso leaves, creating a refreshing and elevated taste experience.

Key Benefits:

10mg Delta 9 THC per chew for a balanced, enjoyable effect

Artisanal flavor crafted for a premium edible experience

40-count resealable pouch for long-lasting freshness

Made with high-quality ingredients you can trust

Perfect for unwinding after a long day or enhancing moments of creativity and relaxation, Group Sounds Delta 9 Gummy Chews offer a flavorful and effective way to elevate your routine.

Ingredients: Corn Syrup, Sugar, Filtered Water, Gelatin, Fruit and Vegetable Juice, Modified Corn Starch, Full Spectrum Hemp Extract (CBD), Citric Acid

THCa Diamond Dusted Iced Pre-roll

Elevate your vibe to the next level with the Group Sounds THCa Pre-Roll, a premium smoking experience crafted for those who crave both quality and potency. Each pre-roll is packed with top-shelf, THCa-rich hemp flower and iced with THCa diamond dust, delivering unmatched smoothness, flavor, and power.

Choose from three distinct strains, each designed to suit your unique vibe:

Jack Herer (Sativa): A legendary strain offering energizing and invigorating effects with earthy, piney undertones. Ideal for focus, inspiration, and starting your day strong.

Lemon Pound Cake (Hybrid): A perfectly balanced blend with uplifting energy and a sweet, zesty flavor. Great for creative moments or mellow social gatherings.

Grand Daddy Purple (Indica): A timeless classic for deep relaxation, featuring rich, fruity notes. Perfect for unwinding and embracing peaceful evenings.

Why You'll Love It:

Infused with THCa diamond dust for extra potency and a luxurious experience

Available in Hybrid, Indica, and Sativa strains

Premium, hand-selected hemp flower

Expertly rolled for smooth, consistent hits

Take your smoking experience to dazzling new heights with the Group Sounds THCa Pre-Roll. Whether you're flying solo or sharing with friends, this pre-roll ensures every moment shines brighter.

THCa Crumble

Experience the pure potency of Group Sounds 1g THCA Crumble, a premium concentrate crafted for those who seek a clean, powerful, and versatile cannabis experience. This high-quality crumble is made from expertly extracted pure THCA, which converts to Delta 9 THC when heated, delivering a potent and smooth effect.

Key Features:

1 gram of premium THCA crumble for a powerful experience

Versatile use — ideal for dabbing, topping bowls, or infusing into edibles

High purity & potency with minimal residual solvents

Clean extraction process for a smooth and flavorful experience

With its buttery, easy-to-handle texture, Group Sounds THCA Crumble delivers a robust and terpene-rich flavor profile, offering both potency and a refined taste. Whether you're looking to elevate your dabbing ritual or enhance your favorite strains, this concentrate provides a next-level THC experience that's as pure as it is powerful.

CBG Gold Pre-Roll

Discover the golden standard of relaxation with the Group Sounds CBG Gold Pre-Roll, a premium pre-roll crafted for those seeking clarity, calm, and balance. Packed with top-quality, CBG-rich hemp flower and enhanced with CBG Gold, this pre-roll offers a smooth and luxurious smoking experience. Known as the “mother cannabinoid,” CBG delivers soothing effects without the psychoactive high, making it ideal for staying centered and focused.

Key Features:

Infused with CBG Gold for enhanced potency

Smooth, flavorful, and expertly rolled for consistency

Made with premium, hand-selected CBG-rich hemp flower

Provides clarity, calm, and relaxation without the high

Perfect for solo moments of reflection or shared experiences with friends, the Group Sounds CBG Gold Pre-Roll is your go-to choice for a golden, elevated vibe. Embrace the glow—because you deserve nothing less than the best.

Full Spectrum CBD Lavender Lotion

Soothe your senses and nourish your skin with Group Sounds Full Spectrum CBD Lavender Lotion. This luxurious, 750mg CBD-infused lotion is thoughtfully crafted to provide targeted relief while promoting relaxation and hydration.

Key Benefits:

750mg Full-Spectrum CBD: Delivers the therapeutic benefits of cannabinoids, terpenes, and essential nutrients to help reduce discomfort and tension.

Calming Lavender: Infused with the soothing aroma of lavender to promote relaxation and enhance your self-care routine.

Deep Hydration: Enriched with skin-loving ingredients to leave your skin soft, supple, and revitalized.

Non-Greasy Formula: Absorbs quickly without leaving a sticky residue, perfect for daily use.

Why Choose Group Sounds?

Crafted with high-quality, full-spectrum CBD and premium botanicals, this lotion is third-party tested to ensure purity, potency, and quality. It's a natural way to support your skin's health while enjoying the calming benefits of CBD and lavender. Perfect for use after a long day, a workout, or whenever your body and mind need a moment of peace. Embrace relaxation and rejuvenation with Group Sounds Full Spectrum CBD Lavender Lotion—your skin and spirit will thank you.

Ingredients: Aqua, Mineral Oil, Propylene Glycol, Coconut Oil, Shea Olein, Full Spectrum Hemp Extract (CBD), Lavender, Limonene, Stearic Acid, Aloe Juice

Full Spectrum CBD Vanilla Bath Scrub

Transform your self-care routine with the Group Sounds Full Spectrum CBD Vanilla Bath Scrub, the ultimate indulgence for your skin and senses. Packed with 750mg of full-spectrum CBD, this luxurious scrub exfoliates, hydrates, and soothes your skin while the warm, comforting scent of vanilla creates a spa-like experience at home. Crafted with natural ingredients and enriched with the calming and restorative benefits of CBD, this scrub gently buffs away dead skin cells, leaving your skin soft, smooth, and rejuvenated. Whether you're unwinding after a long day or starting your morning refreshed, this scrub is your ticket to glowing skin and total relaxation.

Key Benefits:

Contains 750mg of full-spectrum CBD for soothing and nourishing effects

Made with natural exfoliants to gently polish your skin

Warm, inviting vanilla scent for a calming sensory experience

Hydrates and nourishes for a radiant, silky-smooth glow

Treat your skin and senses to the care they deserve with Group Sounds Full Spectrum CBD Vanilla Bath Scrub—because relaxation and radiance go hand in hand.

Ingredients: Cane Sugar, Jojoba Oil, MCT Oil, Emulsifying Wax, Mango Butter, Cocoa Butter, Full Spectrum CBD Hemp Extract, Cetyl Alcohol, Vitamin E Oil, Vanilla Essential Oil, Natural Preservative.

Full Spectrum CBD Lavender Bath Salt

Immerse yourself in pure relaxation with the Group Sounds Full Spectrum CBD Lavender Bath Salt, your perfect companion for soothing tired muscles and calming the mind. Infused with 750mg of full-spectrum CBD and the gentle, floral aroma of lavender, this bath salt transforms your bath into a spa-like retreat. Designed to melt away stress and tension, the combination of CBD's restorative benefits and natural mineral salts leaves your body relaxed, your skin nourished, and your mind at ease. Perfect for unwinding after a long day or as part of your bedtime ritual, this bath salt delivers ultimate relaxation in every soak.

Key Benefits:

Infused with 750mg of full-spectrum CBD for maximum soothing effects

Delicately scented with lavender to calm and rejuvenate the senses

Enriched with natural mineral salts to relax muscles and soften skin

Perfect for stress relief, muscle recovery, and promoting restful sleep

Let the Group Sounds Full Spectrum CBD Lavender Bath Salt elevate your self-care routine—because you deserve a moment of peace and tranquility every day.

Ingredients: Dead Sea Salt, Jojoba Oil, Himalayan Salt, Full Spectrum CBD Hemp Extract, Therapeutic Clay, Lavender Essential Oil.

Full Spectrum CBD

Citrus Bath Fizz

Transform your bath into a rejuvenating oasis with the Group Sounds Full Spectrum CBD Citrus Bath Fizz. Infused with 750mg of premium full-spectrum CBD, this effervescent bath bomb is designed to melt away stress and soothe your body while invigorating your senses with a refreshing citrus aroma.

Key Benefits:

750mg Full-Spectrum CBD: Delivers the benefits of cannabinoids and terpenes to help relax muscles, calm the mind, and support overall wellness.

Uplifting Citrus Scent: A bright, zesty fragrance that energizes your mood and refreshes your spirit.

Skin-Nourishing Formula: Enriched with hydrating and soothing ingredients to leave your skin feeling soft, smooth, and rejuvenated.

Effervescent Relaxation: Creates a fizzy, spa-like experience in the comfort of your own home.

Why Choose Group Sounds?

Carefully crafted for quality and potency, this bath fizz combines the therapeutic power of full-spectrum CBD with aromatic citrus oils to elevate your bath routine. Each product is third-party tested to ensure purity and effectiveness, making it a safe and luxurious choice for self-care. Indulge in the ultimate relaxation with the Group Sounds Full Spectrum CBD Citrus Bath Fizz—the perfect way to unwind, recharge, and pamper yourself.

Ingredients: Baking Soda, Dead Sea Salt, Jojoba Oil, SLSA (Sodium Lauryl Sulfoacetate), Full Spectrum CBD Hemp Extract, Therapeutic Clay, Citrus Essential Oils.

Full Spectrum CBD Icy Relief Stick

Experience targeted relief and soothing coolness with the Group Sounds Full Spectrum CBD Icy Relief Stick. Packed with 750mg of premium full-spectrum CBD, this easy-to-use relief stick is your go-to solution for alleviating sore muscles, joint discomfort, and everyday aches.

Key Benefits:

750mg Full-Spectrum CBD: Provides the benefits of cannabinoids, terpenes, and other natural compounds for enhanced relief.

Cooling Sensation: Formulated with menthol and other invigorating ingredients to deliver an icy, soothing sensation right where you need it.

Why Choose Group Sounds?

Crafted with care and precision, our Icy Relief Stick combines high-quality CBD with cooling agents to deliver effective, targeted relief. Each product is third-party tested for purity and potency, ensuring you get the best results every time. Whether you're recovering from a workout or seeking everyday comfort, the Group Sounds Full Spectrum CBD Icy Relief Stick is the perfect companion to keep you moving and feeling your best.

Ingredients: Coconut Oil, Beeswax, Methyl Salicylate, Menthol, Camphor, Shea Olein, Pure CBD Isolate, Peppermint, Limonene

Easy Application: Convenient stick design allows for mess-free, on-the-go application to hard-to-reach areas.

Fast-Acting Formula: Absorbs quickly for rapid, long-lasting relief without a greasy residue.

1500mg Full Spectrum CBD CBG Tincture

Unlock the power of two powerhouse cannabinoids with Group Sounds 1500mg Full Spectrum CBD CBG Tincture. This advanced formula blends the benefits of both CBD (Cannabidiol) and CBG (Cannabigerol) in a single, potent tincture, offering a holistic approach to wellness. With 1500mg of full-spectrum CBD and CBG combined, this tincture harnesses the synergistic effects of the entire hemp plant for a truly enhanced experience.

CBD and CBG work together to provide natural support for stress reduction, mental clarity, and physical relaxation. This tincture is ideal for those looking to improve mood, reduce discomfort, and promote a sense of calm throughout the day. Whether you're looking for balance or relief, Group Sounds 1500mg Full Spectrum CBD CBG Tincture is the perfect addition to your wellness routine.

Crafted with care and using only the highest-quality hemp, this tincture is fast-absorbing and easy to incorporate into your daily life. Whether you take it sublingually or mix it into your favorite beverage, you'll experience the therapeutic benefits of these natural cannabinoids.

Key Benefits:

1500mg of Full-Spectrum CBD and CBG combined per bottle

Crafted from premium, organically grown hemp

Supports stress relief, mental clarity, and overall wellness

Third-party lab tested for potency, purity, and safety

Promotes relaxation and comfort throughout the day

Non-psychoactive, THC-compliant formulation

Harness the combined power of CBD and CBG with Group Sounds 1500mg Full Spectrum CBD CBG Tincture, your go-to solution for a balanced, calm, and revitalized mind and body.

Ingredients: MCT Coconut Oil, Full Spectrum Hemp Extract (CBD), Cannabigerol (CBG), Natural Terpenes, Stevia, Natural Flavoring

3000mg Full Spectrum CBD Tincture

Experience the full potential of CBD with the Group Sounds 3000mg Full Spectrum CBD Tincture. This premium tincture is crafted to provide you with a potent and effective dose of natural wellness in every drop. Packed with 3000mg of full-spectrum CBD, it offers the entourage effect, which means you get the benefit of the complete range of cannabinoids, terpenes, and other beneficial compounds found in the hemp plant.

Our carefully formulated tincture is designed for quick absorption, delivering fast-acting relief to help manage stress, promote relaxation, support better sleep, and ease discomfort. With a clean and natural taste, it can be taken sublingually or added to your favorite beverages for convenience.

Made with the highest-quality hemp and tested for purity, potency, and safety, this tincture is perfect for those seeking a high-quality, full-spectrum CBD experience. Whether you're new to CBD or a seasoned user, Group Sounds 3000mg Full Spectrum CBD Tincture offers a powerful, all-natural solution to enhance your wellness routine.
